Assessing Community Spread

Mountain Home School District Reopening Categories:

| Category 1: Low-Moderate Community |
|---|
| Spread |

Evidence of isolated cases or limited transmission, case investigations underway, no evidence of exposure in a large communal setting, e.g. healthcare facility, school, mass gathering.

Category 2: Extensive Community Transmission – Schools Open

Widespread and/or substantial transmission with high likelihood of confirmed exposure within communal settings, with potential for rapid increase in suspected cases.

Category 3: Extensive Community Spread: School Building or Classroom Closures and On-Line Learning

Large scale community transmission, healthcare staffing significantly impacted, multiple cases with in communal settings like healthcare facilities, schools, and mass gatherings.
