

PARENTAL RIGHTS & INVOLVEMENT POLICY

The Mountain Home School District No. 193 Board of Trustees believes that all students can achieve academic success and grow to be productive citizens. Partnerships with parents will assist our schools in meeting these goals. Effective schools are a result of families and the schools working together to promote high student achievement. The board of trustees adopts this policy to promote the involvement of parents and guardians of children enrolled in the district's schools.

PARENTAL RIGHTS

A student's parent or guardian has the right to reasonable academic accommodation from their child's school. For the purposes of this policy only, "reasonable accommodation" means the school shall make its best effort to enable a parent or guardian to exercise their rights without substantial impact to staff and resources, including employee working conditions, safety and supervision on school premises for school activities, and the efficient allocation of expenditures, while balancing the parental rights of parents and guardians, the educational needs of other students, the academic and behavioral impacts to a classroom, a teacher's workload, and the assurance of the safe and efficient operations of the school.

PARENTAL INVOLVEMENT

Parents and guardians are responsible for assuring their children arrive to school on time. A note signed by the parent or guardian or other means of communication is required to excuse a student's absence or tardiness.

Parents and guardians have access to their child's academic schedule, attendance, grades, homework assignments, etc., through Student Information and Learning Management Systems Parent Portals. Contact your child's school for the password and additional information on PowerSchool Parent Portal.

Parents/Guardians and teachers have numerous means of keeping in contact and communicating with each other through Student Information and Learning Management Systems Parent Portals, through the teacher's webpage, through email, and through telecommunication.

Parents and guardians are encouraged to attend their child's school Family Education Nights, Family Activity Nights, Family School Lunch BBQs, Parent-Teacher Conferences, all other activities, and to visit their child's teacher's webpages regularly.

All schools of this district strive to foster a collaborative relationship between parent(s) & guardian(s) in pursuit of student growth and achievement. Each school building of the Mountain Home School District will involve parents in regular, two-way meaningful, communication addressing student achievement and ensuring:

- Parents play an integral role in assisting their child’s learning.
