

STUDENT REFERRAL FROM BMS TO MHHS OR MHJH POLICY

All student transfers from Bennett Mountain School (BMS) to Mountain Home High School (MHHS) or Mountain Home Junior High School (MHJH) must be by recommendation of an administrator at BMS ~~BMHS~~ and approved by an administrator at MHHS or MHJH. All transfers must be given final approval by the Mountain Home School Board of Trustees or by a Mountain Home School District Administrator after review of the student file.

If students are approved to attend Mountain Home High School or Mountain Home Junior High School, they will do so on a probationary period of one semester during which students will be required to maintain passing grades in all classes, adhere to the 90% attendance policy, and have no discipline referrals. Failure to comply with this requirement may result in a recommendation by MHHS/MHJH Administration for a referral to BMS. Students who are approved to attend MHHS/MHJH will be required to sign an academic contract to outline the requirements of the transfer from BMS to MHHS/MHJH.

All requests for transfer to MHHS/MHJH must be submitted in the months of May and November. Students may only request to transfer at the beginning of each semester. Transfers to MHHS/MHJH will not be accepted once a new semester has begun. This includes students who have been removed from BMS for failing to comply with the school's code of conduct and policies.
